ISLAND GOATS SAILING SOCIETY
CHICAGO YACHT CLUB STATION

Founded 1959

Purposes and Policies

Recognizing there is no substitute for experience in off-shore sailing and that the present veterans of twenty-five or more Chicago-Mackinac Races represent in excess of five hundred years of sailing. Today the good seamanship and sound judgment these fifteen men represent can contribute further to the sport they all cherish. Always bearing in mind our effectiveness is based on the long record of the members' accomplishments.

The Island Goats recognize the prestige of the Chicago-Mackinac Race and its rewards and seek to preserve the tradition of this yachting classic in cooperation with the Chicago Yacht Club and other organizations interested in promoting the best interests of off-shore sailing events.

To foster the idea of establishing a society of mature nature and high principles, one that will combine all the advantages of the sport of sailing and at the same time maintain the integrity of youthful character and cultivate a bond of good fellowship among veterans.

The new association must first exclude jealousy and angry competition and secondly, must build on a modern scale providing for every variety of taste, and thirdly, it must be broad in its adaptations with a philosophical spirit looking to the entire membership so as to develop high standards and merit and deserve a favorable public opinion.

In our efforts to adopt a conservative approach in all endeavors, moving with caution and reserve, avoiding yachting politics, in developing a sound program, bearing in mind the full advantages of such action. To avoid undue publicity and recognize that the action of our collective membership speaks louder than words.

The activities of the CYC Station to be under the direction of an executive committee of five members. There being no other officers, the executive committee will appoint a secretary, who will also be custodian of funds.

Island Goat Sailing Society
Master Mariner's Trophy

Deed of Gift

Purpose: To honor the memory of Richard D. ("Dick") Rodseth and his love for the sport of sailing and the people that it attracted. The Chicago Mackinac race was Dick's favorite. He would spend countless hours preparing 'Bangalor' or the many versions of 'Vagary' and use all of his skill and cunning in his attempt to win this annual July event. Dick competed in 51 Chicago Macs and through this gift will be remembered for his competitive spirit, camaraderie and love of this race.

Endowment: The Crews of Dick Rodseth's Sailing Yachts named 'Bangalor' and 'Vagary' have set forth the funds in the amount of \$ 10,000 USD necessary to insure and maintain the Master Mariner's Trophy (hereafter referred to as the Trophy). The monetary gift has been given, in it's entirety, to the Island Goats Sailing Society (hereafter referred to as IGSS) via the Chicago Maritime Society which will be set aside in a special "fund" named the IGSS 50-Year Goat Fund (hereafter referred to as the Fund). The Fund will be used to insure and maintain the first awarded Chicago to Mackinac Race Trophy, which has been re-dedicated as the Master Mariner's Trophy, in perpetuity. The Fund will also provide the means to purchase an award for each individual that attains eligibility as defined below and a plaque noting the name of the person and year that she/he attained eligibility to be affixed to the Trophy. In the event the Fund becomes destitute, it will be the responsibility of the IGSS to insure and maintain the Trophy and fund any new plaques for the 50-Year Goat Award.

Trophy: A perpetual trophy symbolizing Dick's love of the sport of sailing in general and racing the Chicago to Mackinac Race shall be dedicated for this award. The trophy will be the first awarded Chicago to Mackinac Cup won by Mr. Dwight Lawrence in his schooner "Mistral" in 1905, and given to the IGSS in perpetuity and re-dedicated by the IGSS as the Master Mariner's Trophy. The trophy shall be awarded at the IGSS annual dinner. The trophy shall be kept at a location determined by the IGSS acting Board of Directors and maintained by the IGSS. Upon the completion of 50 Chicago to Mackinac Races, as determined by the IGSS, the sailor that has attained eligibility shall have his name and the year of award placed on a brass plaque that shall be affixed to the trophy at the expense of the Fund. In addition, the sailor(s) will be presented with a suitably engraved take-home trophy. The "Purpose" of this Deed of Gift shall be read at the commencement of every presentation of a 50-Year Goat Award.

Eligibility: Any sailor that has completed 50 or more Chicago to Mackinac races as determined by the IGSS.

Adoption: This Deed of Gift shall become effective upon its approval by a majority vote of the IGSS Board of Directors.

Modification: The IGSS Board of Directors shall have the authority to modify any of the provisions of this Deed of Gift by majority vote and the approval of Lillian Rodseth or her appointee. If the Deed of Gift is modified and the modifications are approved after the date of Chicago to Mackinac Race, the unmodified Deed of Gift shall be in effect for the year in which the modifications are approved and the modifications shall become effective the year after the modifications are approved.

Approval: the Board of Directors of the IGSS approved This Deed of Gift on April 25, 2002.

Memorandum of Understanding

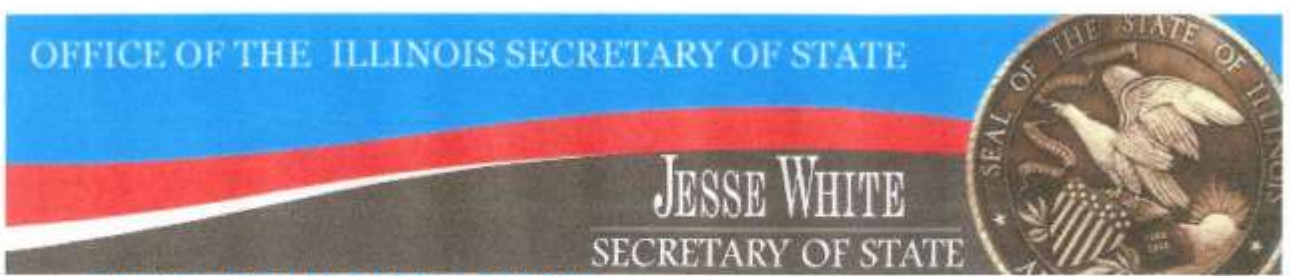

The Island Goats Sailing Society, an Illinois Not for Profit Company, (IGSS) and the Chicago Maritime Museum, an Illinois Not for Profit Corporation (CMM) have jointly administered funds for the purpose of recognizing individuals who have participated in fifty or more Chicago to Mackinac Races sponsored by the Chicago Yacht Club. These funds have been designated as the Master Mariners Fund (MMF). The fund was established as a result of a solicitation by the IGSS and has been held by the CMM as an accommodation to the IGSS. The parties hereby wish to modify their relationship regarding the MMF as follows:

1. The IGSS hereby recognizes that the CMM has used the MMF for its intended purpose since the solicitation of the funds by the IGSS.
2. The IGSS is very appreciative of the services offered by the CMM and its willingness to hold the MMF.
3. The CMM now wishes to transfer the funds to the IGSS now that it has the ability to hold the funds and no longer requires the assistance of the CMM.
4. The IGSS agrees that it will only use the funds for their intended purpose; to maintain the Master Mariner Trophy and to recognize individuals who have sailed in fifty or more Chicago to Mackinac Races as sponsored by the Chicago Yacht Club. The IGSS agrees to hold the MMF in a separate account and not to comingle the fund with its general revenues.
5. The IGSS agrees that if the MMF will no longer be used for the Master Mariner Trophy and Awards, that any remaining funds will be transferred to the CMM.
6. The IGSS wishes to recognize the services performed by the CMM in holding and administering the Master Mariner Fund. Accordingly, it would like to make a contribution to the CMM of \$1000 to support its work of establishing a museum dedicated to Chicago's maritime history.
7. The IGSS would also like to include the CMM as a possible recipient of contributions from the IGSS members in its annual membership dues solicitation. The CMM understands all donations, if any, are at the discretion of each individual member and that the IGSS does not guarantee that any contributions will actually be made by its members.
